

Friends,

As spring begins, this is the time of year when many people start to get outside more often, taking walks, biking, or perhaps simply going out to the store more often. The coming of spring is a reminder that even when we have fierce winter weather like this season, with bitter temperatures and loads of snow, better weather is always on its way.

This is also how it is with God's promises. When we go through difficult seasons in our lives, and think that there is no end in sight, we can be reminded that God's promises will endure. As Lamentations 3:22-23 says, "The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is His faithfulness."

Thanks be to God,  
Pastor Jordan
