

## **PARKINSONS 2021 MOVING DAY EVENT FUNDRAISER**

**NEWS JUST IN** –Nan Whaley, our City of Dayton Mayor just Proclaimed that the month of April is **Parkinson's Awareness Month**. As many of you know our Dad, **Larry Taylor**. Larry has been fighting **Parkinson's Disease** for several years now. This organization has become near and dear to our family's heart. Due to COVID dad is not able to get out and fundraise for the **2021 Moving Day Event** so we are trying to help different ways to help him Fund Raise this year. If you would like to help us meet our Fund-Raising Goal that would be GREAT. Ways to donate to the **2021 Moving Day Event** are:

1. Go to: [http://www3.parkinson.org/goto/Larry\\_Taylor](http://www3.parkinson.org/goto/Larry_Taylor)
2. Another way to give is to go to the Parkinson's Website: <https://movingdaywalk.org/> then click on **Donate**, followed by entering the Team Name: **"Team Taylor"**, this will bring you to the Donation Page to enter your data / contribution.
3. Reach out to me, Jennifer Taylor at 937 238 8599 and I can help you with your online donation or explain how a check donation can be made.

This year's event date will be Saturday, May 1<sup>st</sup> at the Dixie Drive Inn. Due to COVID this will be a Drive Thru Event versus a walking event like in 2019. We hope to get back to a true Walking Event in 2022.

Any and all donations are GREATLY Appreciated.

Larry Taylor Family
